Dear Sir:

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**  
**UNDER 37 C.F.R. § 1.181**

Applicant hereby petitions that the holding of abandonment of the above-identified patent application be withdrawn, under 37 C.F.R. § 1.181. A copy of the Notice of Abandonment is enclosed.

The Notice of Abandonment is based on an alleged failure to pay the issue and publication fees in full. It is alleged that a balance of \$700 is due. Applicant contends that the application is not, in fact, abandoned as a reply to the Notice of Allowability mailed from the United States Patent & Trademark Office (USPTO) was timely filed with a full payment of the required issue and

publication fees. Applicant's representative asserts that the issue and publication fees were timely paid by authorization to the USPTO to charge the required fee(s) to Deposit Account Number 502092 (See, Section 4b of the Part B- Fee(s) Transmittal submitted to the USPTO on May 10, 2006). A copy of the Part B – Fee(s) Transmittal along with the Reply to Notice of Allowance, which also includes an authorization to charge said Deposit Account, and the return receipt postcard showing receipt by the USPTO on May 10, 2006 are attached hereto.

Applicant respectfully requests that the Petition to Withdraw the Holding of Abandonment be granted. Applicant does not believe that this petition requires a fee. Accordingly, no such fee is included. In the event it is determined that such a fee is due and/or the USPTO did not previously charge the correct amount for the required issue and publication fees, Applicant's representative authorizes that the fees due be charged to **Deposit Account No. 23/2825**.

Should there be any questions or if this petition does not place this application in condition for revival, Applicant urges the USPTO to call Janice A. Vatland at telephone no. (617) 646-8000.
